### YEAR 5 SHAKESPEARE SCHOOLS' FESTIVAL

The Year 5 children took part in this annual event at Watersmeet Theatre last night. Under the direction of Miss Doctor they put on a very entertaining, humorous and thoroughly well acted version of Twelfth Night. The SSF staff member who gave the appraisals at the end of the evening described the Year 5 class as "joyous" - which they truly were. He also congratulated them for contemporising the play through the introduction of their choice of songs and music. A massive well done to the actors, musicians and technicians in Year 5 for their unbelievable hard work and to Miss Doctor for her total commitment to the children's enjoyment and success of this experience. Miss Doctor, like the Year 5 parents, was bursting with pride at the end of the evening. Thanks also to Mrs Elliott and Mrs Pishori for acting as chaperones.

### YEAR 4 INSTRUMENTS

Miss Edwards set a homework task to make musical instruments and was very impressed with the children's efforts. They were able to use their home made instruments in science and music lessons.

### YEAR 4 ROMAN DAY

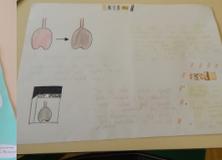

Year 4 had a fun filled afternoon on Thursday.

The children dressed up, ate and drank Roman style and sang 'Like a Roman ♪'. It was a rocking Roman day!

### YEAR 6 SCIENCE—The class was set a homework assignment about keeping one's lungs

healthy which could take any form that they chose. The results were very impressive and varied: textiles; models and even cakes! Well done on the care and creativity you showed in this project children.

## FAMILY AND INDIVIDUAL PHOTOS—Wednesday 8th November

This is an opportunity for families to have a group photo with older and younger siblings who do not attend this school. Our photographer will be here at 8.15am and we will operate a queuing system in the main hall. (Karate club will still take place but this will be in one of the classrooms.) following the photographs that are taken before school starts we will then do the Year 2 individual photographs before they depart for their trip to the Living Rain Forest. During the course of the morning I will ensure that all siblings who attend the school have their photograph taken together as well as every child in the school having an individual photograph. There is no obligation to buy individual or sibling photographs.
