Headteacher: Miss T S Ali BA Hons. PGCE.

2 October 2017

Dear Year 6 Parents

Whilst organising a visitor connected to the Year 5 Space topic, we have been given the chance to extend the experience to Year 6 as a 'revision' for them.

'**Virtual Reality Space Workshop** is a company that will come in on the last afternoon of term, **Friday 20th October**. They provide virtual reality headsets through which the children will experience a tour through space and explore the solar system. A 'facilitator' will be present to explain everything. I am assured that it will be an engaging session and it does sound exactly what the children would like.

The school will subsidise half of the cost but there is a cost of a voluntary contribution of **£2.50 per child**.

Please complete and return the form below.

Yours sincerely

Miss Ali

YEAR 6 VIRTUAL REALITY SPACE WORKSHOP

CHILD'S NAME: _____

I enclose £2.50 cash for the above workshop
