YEAR 3 HAZARD ALLEY

Miss Norton-Child and her team took the children on this very useful and enjoyable trip.

The children had a wonderful time learning about 12 different hazardous

situations from what to do in a house fire to safety around train lines. They even got to make a 999 call so that they would know what to do if they had to do so in a real life situation.

Playgrounds

Mrs O'Neill organised for new playground markings to be added this week and some of the markings to be refreshed. They look lovely and bright. Thank you to all of the children for their contributions to these, via the money raised by the school tuck shop. Children can use their imaginations to invent games using the markings. I look forward to

seeing what they devise!

STREET DANCE

The children who go to this club took part in a dance show on Saturday in the sweltering heat! Well done to Aurora, Sam, Annabel, Amy-Rose, Lisa and Keah who completed a 1982 Michael Jackson dance routine. Despite having rehearsed as part of a two school troop, they stepped up to perform alone on the day. An outstanding performance by all.
