Friday 14th June 2019

YEAR 6 LEAVERS' HOODIES & NON UNIFORM DAY (JUNE 24th)

The children in Year 6 were SO excited to receive their leavers' hoodies on Thursday. Thank you to Ms Monahan, Mrs Hodson and Mrs Martin for organising this. The children were allowed to wear them that afternoon and into school today (and I wonder if some of them chose to sleep in them last night!!)

They will be taking them to PGL next week where they will enjoy a wide range of activities. They may well choose to wear them to school on Monday June 24th when all of the children can come to school in non-uniform with a sporting theme. If your child wishes to do this, please send in a bottle of some sort in exchange as this will help support the work of the PTA as they prepare for the summer fayre (Saturday July 6th 12 to 3pm). Who knows, you may even win your bottle back on the tombola!! This sportswear non-uniform day also coincides with the start of National Sports Week when, in addition to their PE lessons and the junior swimming lessons, the children will have dance and multi sport workshops on the Tuesday and Wednesday. Y5 will also have their two days of

activities at HOAC.

ALIEN DAY

Last week Year 1 went green! It was nothing to do with environmental issues, instead they came to school disguised as extra terrestrial beings! The imagination and creativity from families was most apparent! Thank you all for getting into the swing of the day as it helped to further enhance the children's learning of real words and alien words containing sounds learnt in phonic lessons. Thank you to Miss Wenham and her team for organising the day and for joining in.

The children have been able to transfer their understanding and enjoyment of the day and of their learning to date as they tackled the national phonic screening test.

CONGRATULATIONS

To Dylan in Year 6 who took part in a Herts County 600m time trial last weekend. It sounded quite daunting but, out of 30 boys in two races, Dylan's time placed him in 15th position with the fastest boy breaking the record! Well done Dylan.

THANK YOU ...to Miss Hacking's Class for their very entertaining assembly all about life in Reception. In front of a packed hall, parents and all classes, they showed great confidence as they sang beautifully, informed us of their learning and made us all laugh with their antics which they filmed using 'unusual' camera angles!! Thank you to Miss Hacking and her team for providing the children with such lovely, memorable experiences.

HOUSEPOINTS

1st—Canaries 180
2nd—
Greenfinches 162
3rd—Robins 84
4th—Kingfishers
