SPORTS ROUND UP

It has been a very successful season for the netball team. They won all 6 of their league games with 12 members of the squad involved.

As a consequence, the school was invited to participate in a tournament for league winners. This was played indoors (a new experience for many of the squad) and the squad of 10 really did the school proud. They drew two of their games and won two finishing second overall.

It has, once again, been a pleasure to coach the Y5 and Y6 netball club members as it is every year. The commitment from the children to work hard to improve their skills and increase their stamina is wonderful to see. Their acceptance of their place in a squad, coming on or not as a substitute as required by the team has been commendable.

FOOTBALL—On Thursday the squad had a close game against St Mary's. They went a goal down but got it back to 1-1 then went 2-1 behind before equalising again.. A draw was 'on the cards' until the last few minutes when the team conceded two goals from corner kicks. The final result was 4-2 to St Mary's.
