

Finding Fractions

I can find fractions of a set of objects.

Use objects from around your house to help you to work out these fractions. Take a photo or draw a picture to show how you worked them out.

$\frac{1}{3}$ of 9 objects

E.g. $\frac{1}{3}$ of 9 teddies = 3 teddies

$\frac{1}{2}$ of 10 objects

$\frac{1}{4}$ of 8 objects

$\frac{3}{4}$ of 12 objects
