

Map of Japan

Japan is a country in the continent of Asia. Use an atlas to find where these cities are in Japan and label the map.

Tokyo

Niigata

Sapporo

Fukuoka

Hiroshima

Yokohama

Kumamoto

Osaka

Kyoto

Nagoya

Sendai

Map of Japan Answers

Japan is a country in the continent of Asia. Use an atlas to find where these cities are in Japan and label the map.

Labels for the map:

- Tokyo
- Niigata
- Sapporo
- Fukuoka
- Hiroshima
- Yokohama
- Kumamoto
- Osaka
- Kyoto
- Nagoya
- Sendai

The map shows the outline of Japan with several cities labeled. Sapporo is located in the northern island of Hokkaido. Niigata is on the main island of Honshu, near the coast. Sendai is also on Honshu, further south. Kyoto and Tokyo are in the central part of Honshu. Hiroshima, Nagoya, and Yokohama are in the southern part of Honshu. Osaka is also in the southern part of Honshu. Fukuoka is on the island of Kyushu. Kumamoto is also on Kyushu, further south.
