

ARNETT HILLS JMI SCHOOL

Friday 24th September 2021

Go Gold For Children's Cancer!

Thank you so much for all your efforts in supporting this day for our charities—Libby's Legacy, Alice's Arc and Children with Cancer UK. The children looked fabulous and hopefully all learned a bit about some gold medalists and sports people. We were extremely thrilled to raise £291.24

MacMillan Cancer Support

Our coffee morning was extremely quiet but we won't take it personally, this clearly wasn't a good time for people. We will try a different time of day next. We did still however manage to raise £25 for this wonderful cause. I'm sure there are so many of us that have received support within our families from MacMillan and are all too aware of the wonderful services they provide.

Harvest Donations

Whilst we are talking about supporting our community—the local foodbank are not collecting Harvest Donations this year. If anyone is aware of a service/refuge/charity who would welcome some support in this way then please let us know.

Working Closely with Brunel University

This week we embarked on a new journey for Arnett Hills as we begin a relationship with Brunel University. We are part of a local cluster of schools working together as a hub to support trainee teachers in their professional development. Year 1 welcomed Miss Ali who will be working alongside Miss Nutt until February.

School Council.

We look forward to working with our new school councillors:

Ruby, Keyan, Cody, Layla, Lyla, Avi, Sam, Heidi, Tyler, Vinnie, Abde and Samiul.

Eco—Team.

Well done to our Eco Team and we look forward to working with you:

Maggie, Nicholas, Miya, Krish, Sophie, Wilbur, Ava, Max, Jess, Sam, Daisy and Max.

Scooters.

Children will park their scooters by their classroom doors. Bikes can still be stored in the bike rack by Year 3. Please ensure neither are ridden across the playground and all are clearly named.

Assembly.

Our assembly theme this week was teamwork. We used the story of The Enormous Turnip to remind us that we all have an important part to play in our team, no matter how small.

IF YOUR CHILD IS UNWELL:

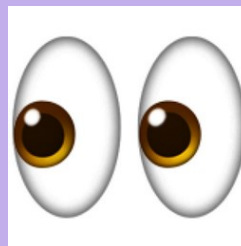

Please inform us on admin@arnetthills.herts.sch.uk
Please **be specific** about your child's symptoms—it is very unhelpful to us to simply say 'unwell'.

If your child displays any Covid-19 symptoms they must have a **PCR test**, not a lateral flow test.

- raised temperature
- new or continuous cough
- loss of smell or taste

We are reinstating the dining room for our KS2 children and look forward to seeing them eating in here again next week.

Breakfast Club—Watch this Space We are working on it.

Dates for next week:

Year 6 Parents PGL meeting via Teams 7.30pm
