

ARNETT HILLS JMI SCHOOL

Friday 22nd October 2021

It has certainly been a half term full of fun learning experiences and challenges for the children and I thank the team for all their hard work in providing these opportunities for our children. This week KS2 have been working together on collaborative story writing which I know they have really enjoyed.

Year 4 Tri Golf A huge well done to our Year 4 children who made it through to the School Sports Partnership Tri Golf Finals. We had a lovely evening at Rickmansworth Golf Club playing against the other winners of the qualifying rounds. It was a very close tournament and we were thrilled with 2nd place! (by only 7points!) Not only does Tri Golf test the skills of accuracy and ball control, but the children had to work well as a team. They had to have persistence, determination, resilience and definitely a can do attitude. It was nice to see them collaborate and congratulate each other. Thank you to the parents who supported this event.

INSET Day in lieu of Her Majesty the Queen's Platinum Celebration—There will be an additional INSET day on Monday 4th July 2022. Please add it to your calendars.

Dates for next week:
Secondary School Application
Deadline 31st Oct
